Senior Class Prophecy

One summer afternoon, late in August of 1960, my friend and I decided we would attend the last day of the fair. Soon we reached the fairgrounds and we were waiting in line to get our ticket. We got up to the ticket office and who should we meet but Roger Thornton selling tickets. He sold us ours and because of the large crowd we couldn't talk very long. We went to park our car and we met Dick Junge directing traffic. After parking the car in the shade we proceeded on down Midway. Our first encounter then was David Elrod who was "trying to rope" people into trying to hit a target which was impossible to hit. As we proceeded on down Midway, we saw Cliff Verwers who was introducing the dazzling blond, Darlene Marinus and her stand-by Dolores Walker. They were about to give us a preview of the dancing show which was just beginning on the inside. As we were going inside to see what we thought would be a great show were we ever surprised.

Yes, Bonnie Nelson, Melda Daugherty, and Margaret Vander Kraan were just completing their act. After about an hour of dazzling beauty before our eyes we decided to journey on down to the Daredevil show. Here we purchased tickets and went on inside, to our great amazement there was Loren Moomaw and Max Timmons warming up on their motorcycles, all at once a lovely brunette came sauntering into the arena and to our surprise we found it was Evelyn Boliver. There while watching a breath-taking show and munching peanuts my friend developed a terrible toothache. I decided that something should be done about his tooth so we went up to the Red Cross Building where we saw Dr. George A. Frank, working industriously replacing a filling which had been lost on the fairgrounds. Upon waiting about an hour, Joan Schuttinga, his assistant, finally informed us that Dr. Frank was ready for us. After a lengthy examination he could find nothing wrong with the tooth, so he applied a few drops of cloves and we left for the hog barn.

No sooner did we reach the barn than who should we see but Marvin Gilbert leaning over a pen of sick-looking hogs. With tears rolling down his face he informed us that his hogs were very sick with what he thought was the flu. We were quite interested, so we waited until the State Fair Veterinarian, Dale Birkholz, arrived. Upon a careful examination he announced the hogs were violently ill with Septicaemia.

After touring the hog barn, we went next to the Conservation Building. There was Verlin Pulver giving a talk on "The Advantages of a Game Warden." Standing by was Ernest De Reus who was displaying information on "Ma's Home Remedy for Colds."

Upon leaving the Conservation Building, we went to the Women's and Children's Building. While we were looking at the lovely home-made clothes, who should walk by but Marianne Myers and Maxine Shera. We stopped them and they told us they had some things on display. We were immediately interested so they took us over to their display, and there was Gay Verdine Wooddell modeling some lovely home-made clothes. We didn't get to talk to her, but we waved at her and she gave us a smile.

After a nice time in this building, we left to get our tickets for the auto races and evening performance. There was a big line waiting, but after patiently waiting forty-five minutes, we pushed our way up to the ticket window and there sat Marilyn Telfer and Marie Elroi. They acted quite tired but were glad to see us and we talked a short time.

We were sorry to hear that Don Osborn was unable to drive his car in the races today because of a minor accident in which he got his leg fractured. But we were happy to hear that he would be at the races and after looking around we spotted him on the front row in his wheelchair with his nurse, Marilyn Moomaw, at his arm. After spending an exciting afternoon, we stayed for the evening performance. The show started about 7:30 and after a number of good acts, who should come out on stage but that famous singer, John Green. His accompanist looked familiar, but we didn't know until we looked at our program that it was Beverly Price. The act was great and it also ended the show. We were very tired but happy after seeing all the members of the class of 1949.

Senior Class History

On the date of September 3, 1945, thirty-four "shy-green" Freshmen entered the building and seated themselves on the west side of the assembly. This was the beginning of our high school career. Our class consisted of: Dale Birkenholz, Evelyn Boliver, Melia Daugherty, Ernest De Reus, Paul De Vries, David Elrod, Marie Elrod, George Frank, Marvin Gilbert, Johnny Green, Donald Gulling, Howard Jensma, Darlene Marinus, Loren Moomaw, Marilyn Moomaw, Marianne Myers, Bonnie Nelson, Donald Osborn, Melvin Patterson, Beverly Price, Verlin Pulver, Joan Schuttinga, Ruth Snetselaar, Marilyn Telfer, Roger Thornton, Max Timmons, Charles Trombley, Doris Van Ryswyk, Margaret Vander Kraan, Donald Vander Schel, Anna Mae Vander Wiel, Dolores Walker, and Gay Verdine Wooddell.

During our four years of high school, the following students left our class: Howard Jensma, Donald Gulling, Charles Trombley, Anna Mae Vander Wiel, Ruth Snetselaar, Donald Vander Schel, Paul De Vries, Melvin Patterson, and Doris Van Ryswyk. We welcomed Dick Junge and Maxine Shera into our midst.

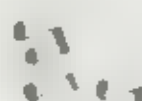

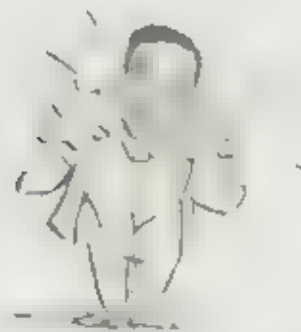

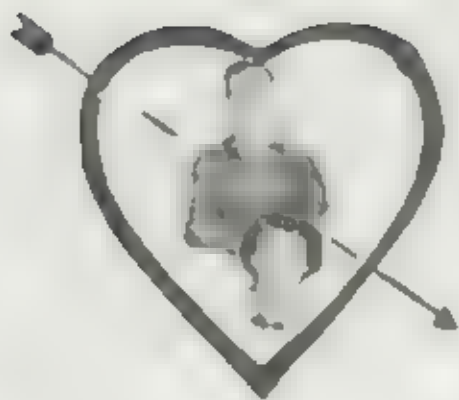

On November 13, 14, and 15, 1947, we presented our Junior class play, "The Daffy Dills," under the direction of Mrs. Pinnick.

On April 30, 1948, we entertained the Senior class at a banquet served in Younkers Tea Room with 87 Juniors, Seniors and Faculty Members present. The girls were dressed in formal attire and the boys in smart business suits.

On May 5, 1949, we presented "The Night of January 16th" with twenty-four members in the cast. We had the honor of presenting our class play in the new gymnasium.

May 19th 27 seniors attired in caps and gowns marched forward to receive their diplomas. So it is that we graduate into this world to begin our life work.

JUNIORS

Here we are dignified Juniors---Ahem! On the morning of September 6, 1949, 28 sleepy-eyed people came wandering in the assembly. We lost Marlene Graves about the middle of the year.

On the night of November 11th we gave our first night performance of our play "High Pressure Homer" directed by Mr. Dolmetsch. It went over with a BANG! Now we realize that we are well on the road to our last year as being Seniors.

We had a concession stand ("THE SHACK") at the football field where we raised money for the Junior-Senior banquet.

The class officers were as follows:

Valjean Brandt and Doris Crosswait. Donald Van Lee moved to Texas during the course of the year. This year we felt that we were an essential part of the high school's life. We were glad to play our part as Sophomores and we look forward with anticipation to next year when (we hope) we will be Juniors.

ATHLETICS

Football Team

Prairie City achieved the highest goal in Iowa by being named State Six-Man Champions. The team bowled over ten straight opponents. Five of these were shut-outs. Two of our encounters were previously undefeated and boasted of a long winning streak.

This is the first undefeated team P. C. has turned out since 1932 and the first State Championship team in the history of the school. Showing it's strength by figures, P. C. had a defensive average of 5.8 points and an offensive average of 40.3 points per game.

The team consisted of ten seniors, six of which received All-State honors. Max Timmons and George Frank were named on the All-State first team; Marvin Gilbert on the second team; Loren Moomaw on the third team; Dale Birkenholz and Donald Osborn received honorable mention. Altho ten seniors graduate, we are looking forward to a victorious season next year with the following lettermen returning: Gene Vande Lune, Bob Jennings, Dwight Churchill, and Max Van Horn.

After the completion of the season, the team was honored at Wimpy's Steakhouse with a banquet which was sponsored by the local fans.

Prairie City High School Girls' Basketball team proved to be very successful this season. Steady improvement all season has brought many honors to these girls. M. Van Steenberg led the scoring with 802 points, J. Schuttinga netted 466 and M. Moomaw followed with 258. L. Rouwenhorst, D. Booth, M. Knight, and P. De Reus alternated at every position. The forward averaged 16 points per-game and the strong defense held their opponents to 41.52. Coach Silvey and his team boast of their good record of 22 wins, 2 losses, and 1 tie. J. Schuttinga was elected captain at the end of the season.

Tournament Play

The team recaptured the County title after displaying 3 good games. Mingo was the first team defeated 7-42, next they overwhelmed Lynnville 46-44 in an overtime and pushed past Monroe 50-48 in the final round.

The girls also received the Sectional trophy along with four victories. They pushed past Bonduant 35-25, Runnells 61-47, Altoona 67-40 and won over Colfax 61-25 for the Championship. P. C. tallied 415 points to their opponent's 173.

Knoxville, their first District Rival, proved fatal. They displayed a fine game, but couldn't match baskets, resulting in a defeat of 55-52. The girls didn't give up, though. They won over Maxwell 65-40 to bring home the Consolation trophy.

Third Row: Nellie Harris, Dolores VanderLeest, Joyce Sanderson, Louise Wheeldon.

Second Row: Miss French, Patricia Taylor, Bettie Headlee, Eunice Enyart, Helen Wheeldon, Gladys Roberts, Coach Silvey

First Row: Marilyn Moomaw, Jean Schuttinga, Marge Van Steenberg, Marilyn Knight, Patsy De Reus, Doris Booth, Laverna Rouwenhorst.

Boys Basketball Team

Prairie City lacking height but making up for it with speed and experience blasted out nineteen victories against three losses. Prairie City rolled along with sixteen straight victories, until they were defeated by Colfax in the County Tournament. The quintet swished through a total of 450 points during the season.

In County play, Prairie City rolled over Mingo 33-28, Monroe 51-10, Lynnville 48-24, thus earning the right to compete in the finals. Altho they were defeated by Colfax 44-20, they received a runner-up trophy.

In the Sectional the team had another chance to seek revenge by playing Colfax in the opening round of the tournament, but lost to the Tangy Tiger quintet 63-29.

Graduating from the team are two seniors, Max Timmons and George Frank, but returning to play next season on our new gym are: Max Van Horn, Gene Vance Lane, Dwight Charlhill, Dick Thompson, Lowell Wiggins, Pete Myers, Diane Clark, and Larry Beaver.

Baseball Team

The baseball team for 1949 is something of an undetermined origin, due to the fact that the annual is being printed before the baseball season arrives.

Last year the P. C. nine went through a very successful season, winning 11, and losing 2. P. C. was host to the Sectional Tournament last spring and played in the finals of that tourney, losing to East High of Des Moines.

Third Row: Dale Birkenholz, Pete Myers, Loren Moomaw, Coach Silvey.

Second Row: Dwight Churchhill, Johnny Greer, Donald Johnson, Bob Jennings, Dick Thompson.

First Row: Clifford Verwers, Gene Webb, George Franz, Max Van Horn, Max Timmins.

Homer Hampton Haywood, high pressured
salesman.....Dwight Kennedy

Mother Woodruff just adores going to funerals while father Woodruff loves to go to fires. Junior is mechanically bent. Boots loves to act, and is rehearsing a part at the most inopportune times. Arlene is practically engaged to Homer Haywood when Wade Wainwright falls a victim to Arlene's charms. Everything turns out on top for our indomitable hero when Chetwynde Cluett arrives and proves to be Arlene's real father.

Letter Club

The Prairie City High School Letter Club was organized in the early thirties to create more interests in athletics.

There are three officers: president, vice-president, and secretary-treasurer. The vice-president is elected from the Junior class and automatically becomes president the following year. The secretary-treasurer may be elected from any class.

The members now holding office are: president, Joan Schuttinga; vice-president, Gene Vande Lune; secretary-treasurer, Faye De Reus.

Anyone who has been awarded a letter in athletics and has been voted in by a two-thirds majority of the members is eligible for membership in the club. A meeting may be called at any time by the president.

The 1948 and 1949 membership consists of 24 athletes. They have earned a letter by participating in basketball, baseball, and cheerleading.

Pep Club

This organization was brought to life on October 26, 1948 in room 19 of the high school building. It consists of all the high school girls who do not participate in athletics.

The officers were as follows: President-Marianne Myers; Vice President-Faye De Reus; Secretary-Margaret Winkertol; Treasurer-Gay Verdine Wooddell; Secretary Pro-Tem--Mary Lou Albright.

The first step was the setting-up of a constitution. A committee was appointed to formulate this, consisting of the following people: Marianne Myers, Doris Booth, Margaret Van Wierker, Bettye Headlee, Mildred Pulver, Patricia Taylor, Mary Albright, Gay Verdine Wooddell, Beverly Price, and Esther Jabaal.

The club chose the cheerleaders. The girls and boy chosen for the 1948-49 season were: Beverly Price, Gay Verdine Wooddell, and Dwight Kennedy. The three have done an excellent job.

The club sold pencils having the '48-'49 Basketball schedule on them. This made a great hit in school and with the merchants.

Our club's main financial goal is to pay for the cheerleaders jackets and to raise extra money for "a rainy day." Our real objective in this club is to merit a letter. We are enthusiastic about this as most of us would enjoy one, that's for sure.

A "Pep Committee" was also organized. This organization's main purpose was to have a program scheduled for every pep meeting. They also put posters on the board to boost enthusiasm.

Miss Collins was the Pep Club's sponsor for the first semester. The sponsor for the second semester was Mr. Harris.
